

Introducing Maine's Dream Team: SMMC & Comfort Suites!

The latest technology and expertise to find the answers you need.

Our sleep experts use leading diagnostic technology to get the answers you need for a good night's sleep. And to make your sleep study a uniquely comfortable experience, we've teamed up with Comfort Suites in Biddeford.

For the best sleep study, insist on the SMMC Dream Team:

- Leading sleep experts;
- Latest technology;
- Unique hotel amenities during your stay, including a pool, fitness room and breakfast.

If you're struggling with sleep issues, talk to your doctor about referring you to the SMMC Dream Team. For more information call the **SMMC Sleep Lab at 207-283-6888** or visit **smmc.org/sleep**.

Excellence. Compassion. Respect.
